Re: Second Written Request for Annual Reports for the Years 1993 thru 1995

Dear Mr. Lees:

As of this date, we have not received your annual report for the Cassidy #1 & #2 mine, file number S/027/015, located in Millard County, Utah. On March 15th we faxed you another copy of the report form but have received no response. The last report received for this site was in 1992. Please include all years 1993, 1994 and 1995 in your filing.

The Utah Mined Land Reclamation Act, Title 40-8-15, subsection (2) and Rule R647-3-116.1 of its interpretive rules, require a mine operator to file an annual report with this Division by January 31st of each year. This report is required regardless of mine activity, unless the Division grants a written waiver from the annual filing requirement, or the operator receives a formal release from continued reclamation obligations from the Division. Your failure to file this report, may constitute a violation of the Mined Land Reclamation Act, which could result in the issuance of a Notice of Noncompliance and/or a formal Notice of Agency Action.

We assume that your failure to return the completed annual report form was an oversight. Accordingly, we are once again requesting that you submit the required report to this office. Please return the enclosed annual report form no later than April 15, 1996. Please contact me or Tom Munson of my staff if you cannot meet this deadline or cannot meet this deadline or have questions or concerns in submitting the report. Thank you for your cooperation and prompt attention to this matter.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
